## Ultra-Accessible, Portable, Powerful Inventory Control System

### UNLIMITED SKUs & ITEMS

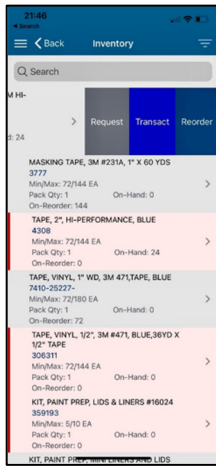

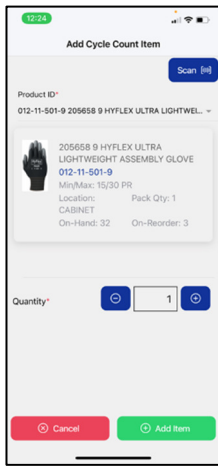

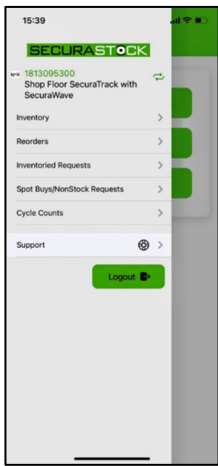

- Suited for manufacturing & industrial environments.
- Lowest cost inventory control system available.
- Accommodates literally unlimited products.
- No product size or shape limits.
- Automates inventory for any area.

### HIGH-TECH SOFTWARE

- Built-in Zebra™ scan engine.
- Optimized version of Android SecuraSmart Mobile.
- Prevents using scanner for unintended purposes.
- Syncs data with its corresponding location on the SecuraSmart Cloud internet portal.

### INDUSTRIAL-GRADE HARDWARE

- Large, industrial-grade 5.2” display.
- Mobile computer with Octa-core processor.
- Powerful battery for 12 hours continuous use & up to 500 hours on standby.
- Reads all barcode and datamatrix formats; no need to relabel existing labels.

### USE SECURASTOCK AS AN ADD-ON OR ALONE:

- Use alone for Vendor Managed Inventory.
- Combine with SecuraCrib or SecuraPort for added functionality.
- Allows simultaneous, multiple-employee transactions in any area.
- Can accurately & quickly read barcode labels, even if the label is dirty, damaged, or wrinkled.
- Use Wi-Fi or Cellular to connect to the internet.

### INVENTORY MANAGEMENT IN ACTION:

- Perform warp-speed Cycle Counts with a single click without counting piece by piece.
- An unlimited number of employees can search & view inventory from a single portal.
- Hi-speed reorder methodology.
- Transact: Issue or return items.
- One system for stocked inventory requests & non-stock spot buy requests
- CMMS, Kitting, Check-in /Check-out from the device.
